Sir/Madam:

REQUEST TO RECORD PREVIOUSLY SUBMITTED POWER OF ATTORNEY

This communication is being submitted to request the Examiner to record a previously submitted power of attorney. There is no deadline to submit a request to record previously submitted power of attorney. Accordingly, this request is being timely file.

It has been brought to Applicant's attention (while the Applicant was trying to associate the above-identified application with the attorney of record's customer number) that the power of attorney previously submitted in this application was never recorded by the United States Patent and Trademark Office (USPTO). A copy of the January 5, 2006 e-mail from the Electronic Business Center indicating the non-recording of the power of attorney is attached herein as Exhibit A.

Applicant : Nai-Kong CHEUNG
U.S. Serial No.: 10/621,027
Filed : July 16, 2003
Page : 2

Applicant respectfully directs the Examiner's attention to the July 16, 2004 entry of the Image File Wrapper for this application which contains a document, entitled "Declaration and Power of Attorney", granting power of attorney to Albert Wai-Kit Chan (Reg. No. 36,479), i.e., the attorney of record. A copy of the Declaration and Power of Attorney downloaded from USPTO's PAIR system is attached herein as Exhibit B.

Accordingly, Applicant respectfully requests the Examiner to record the power of attorney for this application

If a telephone interview would be of assistance in advancing prosecution of the subject application, Applicant's undersigned attorney invites the Examiner to telephone him at the number provided below.

No fee is deemed necessary in connection with the filing of this Amendment. However, if any fee is required, authorization is given to charge the amount of any such fee to Deposit Account No. 50-1891.

Respectfully submitted,

Albert Wai Kit Chan

The power of attorney check is an automated process. It checks the USPTO database for attorney info for each case. In this particular application, the POA was never recorded (for reasons that are unclear to me). The EBC does not have the authority or the tools to make changes or corrections to the recordation of Power of Attorney, and I cannot bypass the POA check and associate the application with your customer number. It would be best to contact the Group Art Unit (1623) at 571-272-1600 to have them record the POA, and once that is done, I can get the application to pass the POA check and make the association. Please let me know if you have any questions.

Charles

Subject: [Fwd: Customer Number Upload Results for CN 57545]

Dear Mr. Welch,

Thank you for your below e-mail. Upon reviewing the upload spreadsheet attached to your e-mail, we have noticed that application No. 10621027 was rejected. Please kindly inform us of the reason that application No. 10621027 (on line 16 of the spreadsheet) was rejected.

The spreadsheet indicates that the cover letter was signed by the attorney with registration No. "36479". The January 16, 2004 entry of the Image File Wrapper for application No. 10621027 shows a document entitled "Declaration and Power of Attorney" granting power of attorney to Albert Wai-Kit Chan (Reg. No. 36,479)(see page 2 of the document). A copy of the Declaration and Power of Attorney downloaded from USPTO PAIR is attached for your reference.

Would it be possible to associate this application (10621027) with CN 57545 without resubmitting a power of attorney?

Thank you for your assistance in this matter.

Hello,

Attached are the results of the registration query and the upload for Customer Number 57545. Also attached is a document detailing how to read these reports and instructions for your next spreadsheet. Please be aware what the upload spreadsheet template located at the USPTO web site has been updated. Filing and patent dates are no longer a requirement as Power of Attorney is the audit check for each application. In terms of a Prose upload, the lack of Power of Attorney is the audit check.
